Sub: Intimation under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to Regulation 30 and other applicable Regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015), this is to inform as under :

A brief note on Supreme Court judgement:

Adani Power Ltd. ("APL" or the "Company") had sought relief on two grounds viz.

- i) Adverse impact on fuel cost due to increase in Indonesian coal price on account of change in regulations in Indonesia and
- ii) Increase in coal cost on account of non-availability/short fall in supply of domestic coal

Hon. Supreme Court; in its judgement today; has granted the relief for the cost burden arising due to shortage in supply of domestic coal under "change in law" provisions. The judgement doesn't grant relief qua the increase in coal cost due to change in Indonesian regulation.

The copy of judgement of Hon. Supreme Court is awaited. Preliminary analysis reveals that the company will get benefit in respect of its PPA (1424 MW) to Haryana State DISCOMs as also qua PPAs (3300 MW) with Maharashtra DISCOMs as also PPA (1200 MW) with Rajasthan DISCOMs.

The Company would decide further course of action once the final order of Hon. Supreme Court is available and keep all the stakeholders informed.

Kindly take the same on your record.

Thanking you.

Yours Faithfully,

For Adani Power Limited
