Dear Sir,

Sub.: Regulation 30 (Disclosure of events or information) -- Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This is to inform that the Company's wholly owned subsidiary, Raigarh Energy Generation Limited (formerly known as Korba West Power Company Limited and hereinafter referred to as "REGL") has been issued a Letter of Award ("**LoA**") by PFC Consulting Limited ("**PFCCL**", a **Nodal Agency appointed by Ministry of Power under Pilot Scheme II**) for supply of total 295 MW Power (i.e. 185 MW Power to Tamilnadu Generation & Distribution Corporation Limited and 110 MW Power to Telangana State Power Coordination Committee, hereinafter collectively referred to as "**Discoms**") from its 600 MW Power Plant situated at Raigarh, Chhattisgarh, for a period of three years under Pilot Scheme-II through M/s. NHPC Limited ("**NHPC**", an **Aggregator appointed under the Pilot Scheme-II**).

In terms of the above-referred LoA, REGL will be required to sign an Agreement for Procurement of Power ("**APP**") with NHPC Limited ("**Aggregator**") under **Pilot Scheme-II**, after requisite approvals from the respective Appropriate Commissions by Discoms.

As earlier informed, REGL has recently, in June, 2019, been acquired by the Company upon approval of our resolution plan for REGL by the Hon'ble National Company Law Tribunal, Ahmedabad Bench.

This is for your information and records.
