4. Exceptional Item includes :

- i) Reversal of revenue in the nature of Compensatory Tariff of ₹ 3,619.49 crores recognised upto 31<sup>st</sup> March, 2016 in case of the Company, pursuant to the order of the Hon'ble Supreme Court dated 11<sup>th</sup> April, 2017 (Refer Note 5a for further details)
- ii) Write off of advances given to Brakel Kinnaur Power Private Limited of ₹ 288.45 crores by the Company due to delay in initiation of underlying project for which the said advance was given.
- iii) Reversal of revenue from sale of power of ₹ 168.75 crores pursuant to the CERC order dated 24<sup>th</sup> March, 2017 in the matter of Revision of tariff in case of Udipi Power Corporation Limited, a subsidiary of the Company.

5. a) Pursuant to the Central Electricity Regulatory Commission ("CERC") order dated 21<sup>st</sup> February, 2014, the Company had recognized revenue in the nature of Compensatory Tariff ("CT") of ₹ 3,938.65 crores upto 31<sup>st</sup> December, 2016 in respect of a long term Power Purchase Agreement ("PPA") (Bid 2) of 1000 MW entered into with Gujarat Urja Vikas Nigam Limited ("GUVNL") and other long term PPAs of 1424 MW entered into with Haryana Utilities. In addition, the Company had also recognized CT of ₹ 426.19 crores upto 31<sup>st</sup> December, 2016 in respect of another long term PPA (Bid 1) of 1000 MW entered into with GUVNL.

The said order was challenged in the Appellate Tribunal for Electricity ("APTEL"). The APTEL vide its order dated 7<sup>th</sup> April, 2016, had set aside the aforementioned CERC order and had held that the promulgation of Indonesian regulation constitute Force Majeure event which was contested in the Hon'ble Supreme Court. The Hon'ble Supreme Court, vide its order dated 11<sup>th</sup> April, 2017 has set aside the aforementioned APTEL order and has ruled that said event is neither Force Majeure nor Change in Law as per the terms of PPA and hence, does not entitle Company for CT. Consequently, the Company has derecognised its claim on account of CT of ₹ 4,364.84 crores recognized up to 31<sup>st</sup> December, 2016, out of which, of ₹ 3,619.49 crores (recognized upto 31<sup>st</sup> March, 2016) is shown as an exceptional item (refer note 4i) and ₹ 745.35 crores (recognized from 1<sup>st</sup> April, 2016 to 31<sup>st</sup> December, 2016) has been adjusted from the revenue from operations. Accordingly, the revenue from operations pertaining to quarter ending 31<sup>st</sup> December, 2016 has been restated by ₹ 344.28 crores.

Further, the aforesaid order of the Hon'ble Supreme Court also held that the non-availability of domestic coal due to change in policy or Change in Law, in force in India, constitute Change in Law as per the terms of PPA. The Hon. Supreme Court directed the CERC to determine the relief under clause 13 of PPA. The Company has filed a petition with CERC to ascertain the relief that may be available to the Company.

b) Revenue from operations includes :

(i) Relief on account of Change in Law / Force Majeure of ₹ 42.26 crores for three months ended 31<sup>st</sup> March, 2017 (₹ 12.75 crores for three months ended 31<sup>st</sup> December, 2016 and ₹ 39.66 crores for three months ended 31<sup>st</sup> March, 2016) and ₹ 110.30 crores for year ended 31<sup>st</sup> March, 2017 (₹ 409.33 crores for year ended 31<sup>st</sup> March, 2016 and ₹ 1,282.37 crores recorded upto 31<sup>st</sup> March, 2017) recognised by Adani Power Maharashtra Limited ("APML"), a subsidiary of the Company, based on the order dated 5<sup>th</sup> May, 2014 of Maharashtra Electricity Regulatory Commission ("MERC") to compensate the Company for losses suffered due to non-allotment of Lohara coal block / non-availability of coal linkages.

In response to appeals filed by customers against the aforesaid order, the APTEL vide its order dated 11<sup>th</sup> May, 2016 had set aside the MERC order except to the extent that whether the inaccessibility and subsequent de-allocation of the Lohara coal block constitute a Force Majeure event or not will be decided by the regular bench of APTEL.

(ii) Additional relief of ₹ 26.30 crores for three months ended 31<sup>st</sup> March, 2017 (₹ 29.63 crores for three months ended 31<sup>st</sup> December, 2016 and ₹ 174.76 crores for three months ended 31<sup>st</sup> March, 2016) and ₹ 132.37 crores for year ended 31<sup>st</sup> March, 2017 (₹ 694.20 crores for year ended 31<sup>st</sup> March, 2016 and ₹ 1,300.86 crores recorded upto 31<sup>st</sup> March, 2017) recognised pursuant to an order by MERC based on the decision taken by the Cabinet Committee on Economic Affairs and the subsequent amendment to the New Coal Distribution Policy, 2007 ("NCDP") to compensate the losses suffered due to non-availability of coal linkages / coal under Fuel Supply Agreements.

In light of the decision of the Hon. Supreme Court order dated 11<sup>th</sup> April, 2017, in the case of Adani Power Limited, as referred in 5 (a) above, that the change in NCDP and Tariff Policy constitute Change in Law, APTEL has remanded the matter to MERC for fresh adjudication and to determine the relief that should be granted due to non-availability/shortage of domestic coal, as a Change in Law.

c) Relief of ₹ 184.32 crores for three months ended 31<sup>st</sup> March, 2017 (₹ 93.68 crores for three months ended 31<sup>st</sup> December, 2016 and ₹ 797.73 crores for three months ended 31<sup>st</sup> March, 2016) and ₹ 726.48 crores for year ended 31<sup>st</sup> March, 2017 (₹ 948.52 crores for year ended 31<sup>st</sup> March, 2016 and ₹ 1,980.92 crores recorded upto 31<sup>st</sup> March, 2017) recognised by Adani Power Rajasthan Limited ("APRL"), a subsidiary of the Company based on an order by Rajasthan Electricity Regulatory Commission (RERC) dated 30<sup>th</sup> May, 2014.

In response to appeals filed by the customers against the said order, the APTEL vide its order dated 11th May, 2016 had set aside the order of the RERC, except to the extent that whether the non-availability / short supply of domestic coal as also the change in Indonesian coal regulations constitute a Force Majeure event or not and remanded the matter to the RERC. In light of the Hon'ble Supreme Court order dated 11<sup>th</sup> April, 2017 in the case of Adani Power Limited as referred in 5(a) above, that the change in NCDP and Tariff Policy constitute Change in Law APRL has filled an affidavit with RERC to grant relief due to non-availability/shortage of domestic coal, as a Change in Law..

As per the assessment by the Management, it would not be unreasonable to expect ultimate collection of an equivalent amount of CT as referred in 5(b) and 5(c) above, which is predicated on the legal advice that in case of matters referred in 5(b)(i) above, the Company has a good arguable case on merits and in case of matters referred in 5(b)(ii) and 5(c) above, based on the principles set forth by the Hon. Supreme Court in the similar matter in case of Adani Power Limited as referred in 5(a) above.

The statutory auditors have expressed qualification in respect of the matters referred in (b) and (c) above in in the reported periods.

6. The Group has determined the recoverable amounts of the Power Plants over its useful life under Ind AS 36, Impairment of Assets based on the estimates relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management.

On a careful evaluation of the aforesaid factors, the Management of the Company has concluded that the Recoverable Amounts of the Power Plants are higher than their carrying amounts as at 31st March, 2017.

7. For the financial year ended 31st March, 2017, the Holding Company has incurred a loss of ₹ 6,054.34 crores in its standalone financial results and as at the year end its current liabilities (including ₹ 7,234.06 Crores to related parties) exceed current assets by ₹ 12,688.47 Crores. The Holding Company expects to meet its financial obligations based on continued support from lenders, trade creditors as well as subsidiaries as may be required to sustain its operations on a going concern basis.
8. Trade receivable of Udipi Power Corporation Limited ("UPCL"), a subsidiary of the Company, includes ₹ 137.11 crores which are mainly pertaining to the period before the subsidiary was acquired by the Company, for which the process of reconciliation and confirmation from the customers are under progress.

The statutory auditors have expressed qualification in respect of the above matter in the reported periods.

9. Further to the execution of a share purchase agreement with the owners of Korba West Power Company Limited ("KWPCCL"), the acquisition of 100% stake in KWPCCL is pending for necessary approval and consents.
10. During the year, the Company has issued and allotted 52.30 Crores warrants at a price of ₹ 32.54 per Warrant to promoter group entities which have been converted into equivalent number of equity shares of ₹ 10 each at a premium of ₹ 22.54 per share on preferential basis under section 42 of the Companies Act, 2013 and other relevant SEBI Regulations.
11. The Group's activities during the year revolve around power generation. Considering the nature of the Group's business and operations, as well as based on reviews of operating results by the chief operating decision maker to make decisions about resource allocation and performance measurement, there is only one reportable segment in accordance with the requirements of Ind AS - 108 - "Operating Segments".

1. We have audited the accompanying Statement of Consolidated Financial Results of **ADANI POWER LIMITED** ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the year ended March 31, 2017 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 05, 2016.

This Statement, which is the responsibility of the Parent's Management and approved by the Board of Directors, has been compiled from the related consolidated financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit.

2. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Parent's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in paragraph 6 below, is sufficient and appropriate to provide a basis for our qualified audit opinion.

3. We draw attention to:

- (a) Note 5(b) to the Statement regarding the basis on which a subsidiary, Adani Power Maharashtra Limited ("APML"), has continued to recognize total revenue of Rs.2,583.23 crores on account of relief under Force Majeure events and change in law events up to March 31, 2017 (Rs.242.67 crores and Rs.1,103.53 crores recognized during current year and previous year respectively) which is pending adjudication by the relevant regulators, as more fully described in the said Note.

Since the matters relating to relief under Force Majeure Events / Change in Law events and additional relief are sub judice, the appropriateness or otherwise, of the continued recognition of such revenue for and up to the period ended March 31, 2017 and other consequential effects on the Statement can only be determined on final outcome of the litigations.

- (b) Note 5(c) to the Statement regarding the basis on which a subsidiary, Adani Power Rajasthan Limited ("APRL"), has recognized total revenue of Rs.1,980.92 crores on account of Change in Law events up to March 31, 2017 (Rs.726.48 crores and Rs.948.52 crores recognized during current year and previous year respectively) which is pending adjudication by the relevant regulators, as more fully described in the said note.

Since the matter relating to relief under Change in Law is sub judice, the appropriateness or otherwise, of the continued recognition of such revenue for and up to the period ended March 31, 2017 and other consequential effects on the Statement can only be determined on final outcome of the litigations.

- (c) Note 8 to the Statement regarding ongoing balance reconciliation exercise with customers of a subsidiary, Udupi Power Corporation Limited, with respect to trade receivables amounting to Rs. 137.11 crores (Rs. 456.03 as at March 31, 2016). Based on assessment by the management, the said amount will be fully recovered upon conclusion of the ongoing reconciliation exercise.

Since the balances are under reconciliation / approval process, and in absence of balance confirmation, adjustments, if any, to the carrying amounts of trade receivables can be determined only upon conclusion of the aforementioned exercise / approval by the customers.

4. Except for the possible effects of the matters described in paragraph 3 above, in our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on the separate financial statements and other financial information of the subsidiaries referred to in

paragraph 6 below, and read along with emphasis of matters in paragraph 5 below, the Statement:

- (a) includes the results of the following entities:
- (i) Adani Power Limited – Holding Company
  - (ii) Adani Power Maharashtra Limited - Subsidiary
  - (iii) Adani Power Rajasthan Limited - Subsidiary

- (c) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net loss, total comprehensive loss and other financial information of the Group for the year ended March 31, 2017.

5. We draw attention to:

- (b) Note 7 to the Statement. However, for the reasons stated in the note, the financial statements are prepared on going concern basis.

Our opinion is not modified in respect of these matters.

6. We did not audit the financial statements of four subsidiaries included in the consolidated financial results, whose financial statements reflect total assets of Rs.11,395.42 crores as at March 31, 2017, total revenues of Rs.4,016.92 crores, total profit after tax of Rs.14.39 crores and total comprehensive income of Rs.14.77 crores for the year ended on that date, as considered in the consolidated financial results. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial

results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

4. Further to the execution of a share purchase agreement with the owners of Korba West Power Company Limited ("KWPC"), the acquisition of 100% stake in KWPC is pending for necessary approval and consents.
5. Exceptional Item includes :
  - i) Reversal of revenue in the nature of Compensatory Tariff of ₹ 3,619.49 crores recognised upto 31<sup>st</sup> March, 2016, pursuant to the order of the Hon'ble Supreme Court dated 11<sup>th</sup> April, 2017 (Refer Note 6 for further details).
  - ii) Write off of advances given to Brakel Kinnaur Power Private Limited of ₹ 288.45 crores due to delay in initiation of underlying project for which the said advance was given.

6. Pursuant to the Central Electricity Regulatory Commission ("CERC") order dated 21<sup>st</sup> February, 2014, the Company had recognized revenue in the nature of Compensatory Tariff ("CT") of ₹ 3,938.65 crores upto 31<sup>st</sup> December, 2016 in respect of a long term Power Purchase Agreement ("PPA") (Bid 2) of 1000 MW entered into with Gujarat Urja Vikas Nigam Limited ("GUVNL") and other long term PPAs of 1424 MW entered into with Haryana Utilities. In addition, the Company had also recognized CT of ₹ 426.19 crores upto 31<sup>st</sup> December, 2016 in respect of another long term PPA (Bid 1) of 1000 MW entered into with GUVNL.

The said order was challenged in the Appellate Tribunal for Electricity ("APTEL"). The APTEL vide its order dated 7<sup>th</sup> April, 2016, had set aside the aforementioned CERC order and had held that the promulgation of Indonesian regulation constitute Force Majeure event which was contested in the Hon'ble Supreme Court. The Hon'ble Supreme Court, vide its order dated 11<sup>th</sup> April, 2017 has set aside the aforementioned APTEL order and has ruled that said event is neither Force Majeure nor Change in Law as per the terms of PPA and hence, does not entitle Company for CT. Consequently, the Company has derecognised its claim on account of CT of ₹ 4,364.84 crores recognized up to 31<sup>st</sup> December, 2016, out of which, of ₹ 3,619.49 crores (recognised upto 31<sup>st</sup> March, 2016) is shown as an exceptional item (refer note 5i) and ₹ 745.35 crores (recognised from 1<sup>st</sup> April, 2016 to 31<sup>st</sup> December, 2016) has been adjusted from the revenue from operations. Accordingly, the revenue from operations pertaining to quarter ending 31<sup>st</sup> December, 2016 has been restated by ₹ 344.28 crores.

Further, the aforesaid order of the Hon'ble Supreme Court also held that the non-availability of domestic coal due to change in policy or Change in Law, in force in India, constitute Change in Law as per the terms of PPA. The Hon. Supreme Court directed the CERC to determine the relief under clause 13 of PPA. The Company has filed a petition with CERC to ascertain the relief that may be available to the Company.

7. The Company has determined the recoverable amounts of the Power Plants over its useful life under Ind AS 36, Impairment of Assets based on the estimates relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management.

On a careful evaluation of the aforesaid factors, the Management of the Company has concluded that the Recoverable Amounts of the Power Plants are higher than their carrying amounts as at 31st March, 2017.

8. For the financial year ended 31<sup>st</sup> March, 2017, the Company has incurred a loss of ₹ 6,054.34 crores and as at the year end, current liabilities (including ₹ 7,234.06 Crores to related parties) exceed current assets by ₹ 12,688.47 Crores. The Company expects to meet its financial obligations based on continued support from lenders, trade creditors as well as subsidiaries as may be required to sustain its operations on a going concern basis.
9. During the year, the Company has issued and allotted 52.30 Crores warrants at a price of ₹ 32.54 per Warrant to promoter group entities which have been converted into equivalent number of equity shares of ₹ 10 each at a premium of ₹ 22.54 per share on preferential basis under section 42 of the Companies Act, 2013 and other relevant SEBI Regulations.
10. The Ratios have been computed as per below:  
 DER = Borrowings (excluding working capital borrowings) / Share holders' Fund

**Ahmedabad, May 27, 2017:** Adani Power Ltd, a part of Adani Group, today announced the financial results for the quarter and financial year ended March 31, 2017.

Consolidated total income for the year FY17 reduced by 10% Rs. 23,203 crores as compared to Rs. 25,734 crores in FY16 due to non-recognition of Compensatory Tariff (CT) for Mundra plant, following the judgement by the Hon'ble Supreme Court regarding the matter. Consolidated total income for the quarter was Rs. 6,587 crore as compared to Rs. 7,757 crore in the corresponding quarter in the previous year.

Consolidated EBITDA for the year fell by 29% to Rs. 6,391 crore from Rs. 9,004 crores in FY16 due to lower recognition of CT by Rs. 2,002 crore, and lower merchant tariffs. Consolidated EBITDA for the quarter was Rs. 1,556 crore, as compared to Rs. 3,524 crores in the corresponding quarter in the previous year.

Finance cost for the year was Rs. 5,902 crore compared to Rs. 5,963 crore in FY16. For the quarter, finance cost was marginally higher at Rs. 1,586 crore as compared to Rs. 1,547 crore in the corresponding quarter in the previous year, due to one-time mark-to-market of currency derivatives.

During the year, the Company wrote off receivables pertaining to Compensatory Tariff for Mundra plant, totalling to Rs. 3,620 crore that were recognised up to March 2016, as well as other receivables and advances totalling to Rs. 457 crore, as Exceptional Items.

As a result of the lower EBITDA and Exceptional Items, the loss after Other Comprehensive Income for the year FY17 was Rs. 6,170 crore, as compared to a profit of Rs. 582 crore in FY16. The loss for the quarter was Rs. 4,952 crore, as compared to a profit of Rs. 1,061 crore in the corresponding quarter of the previous year.

Commenting on the quarterly results of the Company Mr. Gautam Adani, Chairman, Adani Power said, "Consequent to outcome of the Hon'ble Supreme Court judgement, we have engaged with the stakeholders for possible remedial measures for long term sustainability of the Mundra Plant. With the Government's continuous efforts to remove the hurdles faced by the power sector, and encouraging reforms like the new coal linkage policy, we are seeing an improvement in the business environment. Allocation of linkage under the new policy will allow us to access domestic coal, and do away with the need for compensatory tariffs for our power plants going forward."
