Celebration

Adani Dahanu Thermal Power Station (ADTPS) Dahanu

World Environment Day, 2023 Celebration at Adani Dahanu Thermal Power Station (ADTPS) Dahanu

Introduction:

World Environment Day (WED) is the most renowned day for environmental action. Since 1972, it has been celebrated every year on 5th June; engaging governments, businesses, celebrities, and citizens to focus their efforts on a pressing environmental issue. Above all, World Environment Day offers a global platform for inspiring positive change.

Theme & Logo for World Environment Day (WED) 2023:

Each World Environment Day is organized around a theme that focuses attention on a particularly pressing environmental concern. The Theme for WED – 2023, is “Beat Plastic Pollution”.

World Environment Day 2023 is hosted by Côte d'Ivoire and supported by the Netherlands and the theme will focus on solutions to plastic pollution under the campaign #BeatPlasticPollution. It is a reminder that people's actions on plastic pollution matters. The steps governments and businesses are taking to tackle plastic pollution are the consequence of this action.

Activities of the World Environment Day (WED) 2023:

1. Tree Plantation
2. Drawing Competition
3. Quiz Competition

World Environment Day, 2023 Celebration at Adani Power Limited - Raigarh

5th June is being celebrated as "WORLD ENVIRONMENT DAY" to create awareness among the employees and contract workers on importance of environmental protection, pollution control, green belt development and conservation of natural resources. The world environment day (WED) established by the united nations general assembly in 1972 is a people's event. It inspires action by governments, industries, community groups and individuals to improve the environment. The united nations environment program (UNEP) has invited people world over to celebrate the WED on 5th june 2023. **Theme for the year-2023 was "Solutions To Plastic Pollution"**.

As a part of celebration , the program schedule of entire events was circulated through mail and via digital mode to all members of **Adani Pariwar**. The commemoration proceeding of world environment day week started with awareness through slogan, essay and poster writing competition on different themes.

WORLD ENVIRONMENT DAY is marked every june with activities around the world. The world environment day theme for 2023 is "**Solution To Plastic Pollution**" and the event was hosted by **Côte D'ivoire**. It is a reminder that people's actions on plastic pollution matters. The steps governments and businesses are taking to tackle plastic pollution are the consequence of this action. It is time to accelerate this action and transition to a circular economy.
